Learning Continuity Plan Part 1 for School Year 2022-2023

March 8, 2022

Dear Parents / Guardians,

We are excited and eager to share with you our plans for School Year 2022-2023. An integral part of education that has been greatly affected by the pandemic is the interaction and socialization with peers. Even as the pandemic situation and safety guidelines constantly change, we would like to share an option that we deem viable, practical, fair, and safe for all members of the school community.

On our part, we are guided by the memorandums and checklists issued by the Department of Education, DOH, IATF, and the City of Bacoor/General Trias. We ask for your continued patience, understanding, and flexibility as these plans are still fluid and may still be improved in time.

Below are some initial information for your perusal.

I. LEARNING SET-UP FOR SCHOOL YEAR 2022 - 2023

TPS will combine two learning modalities: Online Learning and In-person Social Skills Development (ISSD). This is a gradual, conservative transition from full online learning to some in-person activities that develop interpersonal skills through interactive, values-based activities, and a more practical application of executive function skills like self-control, time management, and organization.

For Online Learning, the Online Synchronous Discussions (OSD) will still be conducted for academic and nonacademic areas of study five (5) times a week. ISSD will be scheduled once a week for an hour and a half, per level and section for the Grade School and High School students. Classes are divided according to the number that would ensure social distancing. The Preschool pupils will have this for an hour. Students will best benefit from these activities onsite as they get to participate in activities that develop social skills in the “new normal.”

For those opting for their child/children to stay at home, they will be participating through online interaction in real-time, as they also accomplish corresponding tasks. Attendance in the ISSD is required (onsite or online), where performance/participation are evaluated and reflected under character development. Please see the table for more details.

Learning Modality	Online Synchronous Discussion (OSD) Students join online from home.	In-person Social Skills Development (ISSD) Students attend face-to-face sessions on campus.
Schedule and duration For specific class durations, please see Sample Schedule.	5x a week, commencing in July	Preschool: once a week, beginning Second Term and after thorough orientation of students and parents *Grade School and High School: once a week *ISSD will commence around 1 month after the official start of the school year, and after thorough orientation of students and parents. Please note that current DepEd rules do not allow: <ul style="list-style-type: none"> - More than half-day in-person sessions - Eating lunch in campus
Content	Academic and nonacademic lessons and activities; Homeroom, Club, Elective	Preschool: monthly-event activities (Special Story, Music, Art, and PE-related); work with Learning Kit materials; small group presentations; etc.

		Grade School and High School extracurricular and cocurricular activities tied up with monthly celebrations/events.
Requirements	Required attendance and graded assessments to be submitted	Required attendance Preschool, Grade School, and High School: Attendance in the ISSD is required (onsite or online). Students will best benefit from these activities onsite as they get to participate in activities that develop social skills in the “new normal.” For those opting for their child/children to stay at home, they will be participating through online interaction in real-time, as they also accomplish corresponding tasks.
Attendees	Students per section	Preschool: Students per section, maximum of 10 Grade School and High School: Class will be divided into smaller groups with a maximum of 16 students per group. All TPS employees are fully vaccinated. Per DOH and DepEd Joint Memorandum no. 1 s. 2021, the minimum number of students for each ISSD Program class to push through is 5.
Contingency Measures	OSD may continue regardless of lockdown or heightened alert level.	Students simply switch to OSD in the event of a breakout, lockdown, or heightened alert level that prevents the conduct of the ISSD Program.

II. SAMPLE SCHEDULE

Schedules may change depending on new health regulations in the coming months. The following were considered in crafting the ISSD Program schedules:

- social distancing protocols in classrooms & other areas
- students’ ages and capability to follow between sessions
- foot traffic in campus
- DepEd School Safety Assessment Tool (SSAT)
- safe ingress and egress procedures
- safe & thorough disinfection intervals
- vehicle traffic management

The Preschool classes will be offered the ISSD Program once a week.

We shall release more information again in due time, including a useful **TPS Covid-19 Safety Manual that outlines our protective measures, campus protocols in various scenarios**, and other information. This manual may help guide your decision should you choose to have your child attend the ISSD Program.

Again, we are grateful for the full trust you have accorded TPS the past 16 years, and the past two years as we successfully navigated online learning together.

Yours in education,

The Palmridge School Board of Administrators, Faculty, and Staff
